There's no special meaning behind the
 number 18, (haha...)

18, haha... because the pronunciation of 18 sounds like a sunset in Korean

Starting from next week, with the June

There was a small event for all the
spouse-lacking readers in the last
manuscript!

For the readers of What's there to Know,
'A Christmas Event'

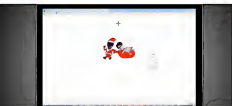

Hello, this is Kim Jae-Han.

I have my wife and my daughter so I'm not lonely.
But for the lonely singles that are spending
Christmas alone,
I prepared a small event,

Email me a story, "this Christmas, I'm lonely
because of such and such"

To five of the most relatable stories,
I'll send a gift. (Include your address and phone number)

Merry Christmas

*And I checked my mail before
I went to sleep.*

There was a huge load of mail.

By reading every single thanks and words of comfort...

... and lamenting over a couple of them...

'Morning, huehue...

I'LL GET READY.

So I went to a department store and all.

After getting back home...

L. I can't let
that happen...

*After having a bunch of random thoughts,
I fell asleep. Huehue...*

'Cause I was supposed to dress up as Sonto this year... I got ready and went to meet my relatives.

Our adorable granddaughter -

Our beautiful daughter-in-law -

*Um...
I'm here, too...*

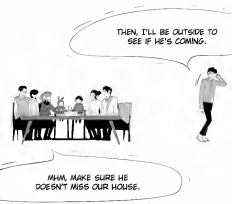

*After eating, we went to our parent's
house to have some cake.*

HOOHOO!

Acting is in the blood!

So, upon finishing the cosplaying gig...

I wait for the signal...

But there's nothing...

So I sat on the stairs and took selfies,

Mr. Author, I hope your body is Faring Well.

It has gotten extremely cold these past few days. You must take very good of your body. It is very likely that this Christmas will be another long, cold, and undoubtedly lonely one for me. Even the passing birds chirp in pairs, but my winter is

What's there to know, huehue...

*There were many, many really long
and sad stories,*

*But most of them included
this.*

You're coming in person
this year too, right?

OH YEAH!
NOW THAT I
THINK OF IT...

I had an event last summer where I went in person to a reader and gave him a present...

From #15_Absurdity

There were a lot of readers looking forward to this particular event.

So I chose one reader's story and called.

HEEEELLLLLLOOOO!
YOU'VE BEEN
CHOSEN~ IN THE
"WHAT'S THERE TO
KNOW" READER
CHRISTMAS
EVENT!

SO?

HUH?? WELL,

GONNA GO IN
PERSON AND

to the present delivery.*

*And Congrats to the other
four readers as well!*

Thank you for all of your emails.

*And I apologize for not being able to answer
back. Next year, I'm sure you'll be able to
move away that "Sponsoring" label!*

So this is the end of the special chapter,
I'll see you ~~and~~ with another chapter
next week.
